During the interview the Examiner indicated that amending the claims as shown in the amended claim set attached herewith would place the claims in condition for allowance. Applicants representative approved the amendments and requested the Examiner enter the amendments on October 7, 2008. The Examiner indicated the amendments would be entered, however, upon review of the Patent Application Information Retrieval (PAIR) database it has come the Applicants attention that the amendments have not yet been entered. Accordingly, Applicants again respectfully request entry of the amendments and allowance of the claims at the Examiner's earliest convenience.
